

February 4, 1994 LB 872, 895, 918

SPEAKER WITHEM: Record.

CLERK: 25 ayes, 0 nays to advance LB 872.

SPEAKER WITHEM: LB 872 is advanced. We'll raise the call but would request that members try a little more diligence to be here to help with the voting, if you would please. Next item.

CLERK: Mr. President, next bill, LB 895, is a bill introduced by Senator Fisher. (Read title.) The bill was introduced on January 5 of this year, referred to the Transportation Committee. The bill was advanced to General File. I have no amendments to the bill.

SPEAKER WITHEM: Senator Fisher.

SENATOR FISHER: Speaker, members, and again quickly, this bill is rather simple and straightforward. It does remove the requirement of a notarization on a car title. Thirty-five other states now have this currently on their statutes. This was approved by the...and recommended by the American Association of Motor Vehicle Administrators in an effort to more standardize forms that do cross county or state lines rather easily anymore. This will bring Nebraska into compliance with the recommendations of the American Association of Motor Vehicle Administrators. And I just would ask that you advance this bill to E & R. Thank you.

SPEAKER WITHEM: Thank you, Senator Fisher. Is there discussion? Any items on the bill, Mr. Clerk? Nothing on the bill. Anybody to...any discussion on the motion to advance LB 895 to E & R Initial? I see none. Senator Fisher, you're recognized to close. Closing has been waived. All in favor of advancing LB 895 to E & R Initial vote aye, opposed vote nay. Have you all voted? Record, Mr. Clerk.
